### An Exposition of the Roles of the u.s.s.r. and the u.s.a. in These Last Days\*

---

**Y**AHWEH\*\* has at this time decreed that the second chapter of Daniel be unveiled and made known to HIS Israel of Promise. These are presently scattered all over the earth and shall be called out from every kindred, nation, people and tongue.

The chapter reveals a monstrous satanic organization ruling over this world (or system of things) whose originator is a mighty spirit creature and whose ruling organization is, for the most part, spiritual, and therefore, invisible to men.

The first thirty verses describe a series of events leading up to the main topic, or to the prophecy itself, and are not a part of the prophetic mystery which YAHWEH will, at this time, reveal to HIS Servants. However, they will be conscientiously considered and explained in order to preclude the possibility of any accusations being hurled at us by Israel's enemies charging that we are circumventing any key points.

The chapter begins by telling us of Nebuchadnezzar, who was king of the then dominant world power babylon, losing much sleep over a dream that deeply troubled him. That which disturbed him was the fact that he did not understand it. He must have felt that the dream was an omen, that upon being revealed would be found to have its fulfillment in himself, for there must have been included with the dream a spirit of fear and apprehension. His inability to understand it alone would not have produced the degree of concern that now possessed him. Having no answer, he turned to the mystics, to those who supposedly communicated with the spirit world, the so-called wise men in his employ.

Many times when men's reasoning powers are incapable of solving certain pertinent problems or issues, they will resort to the supernatural through the use of mediums who supposedly have all of the answers and who also can control our destiny. These mediums, no one understands, for there is no logic in their methods, neither are they understood by those seeking their help. It is a last-ditch effort made when all else fails. A similar insolvable situation will afflict the nations of this world when Israel pours upon them the undiluted words of burning Truth. The problems that will arise because of Israel will have no logical solution to the

heathen rulers of this world. All their unGODly logic will fail them and they will be left in a dilemma. They too, like Nebuchadnezzar, will unburden themselves and place their problems on the shoulders of the greatest mystic the world has ever known, namely, the roman church. This mysterious, unscriptural, filthy rich and spiritually adulterous worldly organization began to take over after Yahshua\*\*\* left and began to dominate the devil's world (John 14:30) as satan's visible ruling organization. YAHWEH foreknew and named it beforehand; HE called her "the mystery of iniquity" (2 Thess. 2:7).

The step that Nebuchadnezzar now took was to summon his demonized pack of magicians, astrologers, fortunetellers, diviners and so on. These came and stood before him and the king related to them how he had dreamed a dream and was very anxious to know what it meant. These supposedly wise men could do nothing unless they first were told the dream, and this they asked the king to do. The king's reply was that he had forgotten the dream and unless they told him the dream and also gave him the interpretation, he would have them cut to pieces and their houses destroyed; but if they were able to do as he demanded, they would be greatly rewarded with gifts and exceptional honor. They again asked the king to tell them the dream so that they could give the interpretation. The king's reply was that they were stalling for time, for he had already told them that he had forgotten the dream. And if they would not make the dream known to him, the punishment he had already decreed would be meted out to them, for he realized that if they did not have the wisdom to reveal the dream, neither had they the wisdom to interpret it, but were ready to fabricate an interpretation merely to appease the king and avoid his wrath. Therefore, he repeated, "Tell me the dream and then I'll be sure that you have the proper interpretation." These so-called wise men then spoke in their own defense and charged that there was not a man on earth that could do what the king demanded of them. They further informed the king that there was no other king that would expect this much from any magician, astrologer or chaldean and that it was a most unusual demand that no one could fulfill

except the gods, who were not anywhere on earth. Nebuchadnezzar was not affected by this defensive shield that they had placed between the king and themselves. It only infuriated him and he ordered their execution. The decree went forth to slay them, and they searched for Daniel and the three faithful Israelites with him to slay them also, as this heathen king made no distinction between the wisdom given to Daniel by YAHWEH and the cunning deceit perpetrated by these GODless pretenders. Daniel, who as yet had heard nothing of the king's dream, asked Arioch, the captain of the king's guard who was to perform the execution, why the king had made such a hasty decision and, for the first time, Daniel heard all about the dream through Arioch. Then Daniel asked for time, after which he would give the king the interpretation that he wanted.

We must remember that Daniel would never promise the king anything if he had not been reassured by YAHWEH, for no True Prophet would take this step on his own, and Daniel was certainly a True Prophet.

Daniel then went home and told his three companions and they prayed that YAHWEH would be merciful to them and reveal the secret to them, that Daniel and his fellows might not perish with the rest of the wise men of babylon. Then suddenly in a night vision, the secret was revealed to Daniel and he thanked his GOD, the True GOD of Israel, YAHWEH. Then Daniel praised YAHWEH saying that HE would be worshipped forever and ever, for true wisdom and power belong to YAHWEH *alone*.

Verse 21 states that HE changes the times and the seasons. Technically, a time means a year, or a set time, and a season means an appointed occasion or occurrence. This means that with the advent of the occasion, or occurrence, a noticeable change would prevail over the former state of things, such as the noticeable changes that take place with the arrival of the different seasons of the year. Although YAHWEH, through HIS infinite wisdom and power, has decreed that each year would begin and end after the completion of its given cycles and then begin anew, and that spring, summer, fall and winter would obediently follow the arrangement that YAHWEH has ordained, this verse has still a deeper meaning than to convey the message that YAHWEH changes the literal year and its seasons.

A time, like a year, is also a set time that would end after reaching its destination or fulfilling the ultimate goal that YAHWEH has appointed and decreed for it. An example of this is found in Luke 21:24, a portion of which states: "...and Jerusalem shall be trodden down of the gentiles ["heathen," Gspd.\*] until the times of the gentiles be fulfilled," or according to the rendering of *The New English Bible* (N.E.B.), "until their day has run its course" or "till the period of the Gentiles expires" (Moff. Trans.\*\*). Although the time given is expressed in the plural "times," it is not meant to convey the understanding that there are many different times that the heathen gain control of the earth, for the heathen have dominated the earth from the time that the devil tempted Adam and caused his downfall to this very day. This is one long period of time, for the devil is still the god of this world and will remain as such until his organization is destroyed in the final war. What the plural term denotes, however, is that there are many activities and changes brought about by the heathen as they endeavor to make a successful organization out of something that is rotten to the core. We might say in modern jargon that this is the time that they do not do "their *thing*" but "their *things*."

All of these GODless, unauthorized efforts will terminate forever when the two superpowers differ as to just what policy must be implemented in order to maintain peace on the earth. These two beasts employ the only attribute they possess, that of brute force, to solve their dilemma, for like true beasts, they are incapable of reasoning. Therefore, they cannot find their GOD as do the intelligent ones of the earth who, not only find HIM, but obey HIM and come out of this wicked and condemned system whose sentence has already been passed, the day of the execution thereof predetermined and certain.

To change the seasons would mean to bring about a change in the appointed time allotted to certain occasions or occurrences.

The verse continues with these words: "He removeth kings, and setteth up kings." The only kings set up directly by YAHWEH were some of israel's kings, for HE states in Psalm 147:19,20 that HE deals with no other nation but Israel. HIS first choice was David and he was followed by his son Solomon, both of whom were merely typical of the

King of Kings who will sit on the throne of David, or replace David forever as King over Israel (Isa. 9:7; Mic. 5:2). David, because of his zeal for YAHWEH and his victory over YAHWEH'S heathen enemies, pictured Yahshua who comes conquering and to conquer (Rev. 6:2), striking the nations with the sword of His mouth (Rev. 19:11-16). Solomon, on the other hand, administered over a kingdom where peace and prosperity prevailed, which pictures in miniature the conditions that will prevail in YAHWEH'S Kingdom under Yahshua. The fabulous wisdom that Solomon was gifted with typified that YAHWEH'S antitypical King, Yahshua, would also possess wisdom that not only would be vastly superior to all others, but that He would be *all-wise*, for He has been made the express image of the FATHER, meaning that He now possesses the attributes of YAHWEH in full measure, and YAHWEH is *all-wise*.

The entire nation of israel under the Law, referred to by Paul as the israel of the flesh, was not the True Israel of GOD. This title is reserved for people made up of all nationalities who prove their devotion to their GOD. And these will make up the Israel of Promise mentioned in Romans 9:6-8, *Revised Standard Version* (R.S.V.), which states:

6 But it is not as though the word of God had failed. For not all who are descended from Israel belong to Israel,

7 and not all are children of Abraham because they are his descendants; but "Through Isaac shall your descendants be named."

8 This means that it is not the children of the flesh who are the children of God, but the children of the promise are reckoned as descendants.

(Refer also to Romans 11:25,26.) Hosea 1:6, R.S.V., states:

She conceived again and bore a daughter. And the LORD [YAHWEH] said to him, "Call her name Not pitied, for I will no more have pity on the house of Israel, to forgive them at all."

Also, Amos 8:2, Moff. Trans., has this to say:

Then said he, "Amos, what do you see?" "A basket of ripe fruit," said I; and the Eternal

said to me, "So is the doom ripe for my people Israel; never again will I pardon them."

So, it is clear that the israel of the flesh alone will *never* be restored to its former state. Why should they? If they failed once by not showing the proper zeal for YAHWEH, they would fail again. With the Israel of Promise, there will be no failure, for each one that will be called and chosen must prove himself faithful before they are accepted (Rev. 17:14).

The choosing of True Israel will break up many homes, for love of righteousness stems from a man's personal desire and choice to follow this course and this virtuous attribute is not inherited from our parents. Yahshua stated in Matthew 10:34-38:

34 Think not that I am come to send peace on earth: I came not to send peace, but a sword.

35 For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law.

36 And a man's foes shall be they of his own household.

37 He that loveth father or mother more than me is not worthy of me: and he that loveth son or daughter more than me is not worthy of me.

38 And he that taketh not his cross, and followeth after me, is not worthy of me.

The Scriptures declare that satan is the god of this world. 1 John 5:19, R.S.V., states:

We know that we are of God, and the whole world is in the power of the evil one.

2 Corinthians 4:3,4 states:

3 But if our gospel be hid, it is hid to them that are lost:

4 In whom the god of this world hath blinded the minds of them which believe not....

Ephesians 6:12 states:

For we wrestle not against flesh and blood,

## Daniel Two

---

but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

It is also brought out in Revelation 12:9 that satan has deceived the *whole world*. For this reason, the kings, or rulers, of this world are the devil's agents and are not serving the True GOD and CREATOR. For this reason all of the present nations in this wicked world must and will be destroyed, as is stated in Isaiah 34:1-3, R.S.V. :

1 Draw near, O nations, to hear, and hearken, O peoples! Let the earth listen, and all that fills it; the world, and all that comes from it.

2 For YAHWEH is enraged against all the nations, and furious against all their host, he has doomed them, has given them over for slaughter.

3 Their slain shall be cast out, and the stench of their corpses shall rise; the mountains shall flow with their blood.

YAHWEH promises this same sentence in Jeremiah 46:28. This is why this world, or system, must end forever (Matt. 24:3-14). The kings that YAHWEH does remove are the kings, or rulers, of this world who are ruling in the devil's organization and are, therefore, servants of the devil. The Kings that HE does set up are HIS Anointed beloved Son Yahshua with His Church, or Bride, made up of 144,000 Kings and Priests to whom YAHWEH gives the Kingdom forever. (See *YAHWEH The Unknown GOD, The Mystery Of HIS Secret Purpose Revealed, Book One, Chapter Eight* titled, "YAHWEH'S Ruling Organization, the New Jerusalem, the Holy City Now Reigning in the Heavens.") (Also refer to Revelation 5:8-10, R.S.V. ; 14:1-5; 20:4.)

YAHWEH, who is the Absolute MASTER over all of HIS creations and who also knows the end from the beginning, holds HIMSELF accountable for all the events and activities, good or evil, that arise to influence and dominate HIS creatures, for it was the Will of YAHWEH to create the earth and to cause man to dwell upon it. However, YAHWEH is a GOD of love, justice, wisdom and power and, because of this, there is nothing that proceeds from HIM directly that does not employ these four attributes. HE is not motivated, as are the devil

and his organization, by selfishness, injustice, stupidity (stupid enough to oppose the All-wise, Almighty GOD) and brute force. Man, who is created in YAHWEH'S image, was created with, and therefore possesses, these same four attributes. This distinguishes men from all other creatures, making them gods, for they are the sons of GOD and to this understanding the Scriptures do attest (John 10:32-36). Psalm 82:6 states:

I have said, Ye are gods; and all of you are children of the most High.

If man were to submit to the four attributes created in him as a directing force, he would attain to true wisdom. Yet, in an organization of creatures created in love, we find selfishness; being blessed with the attribute of justice, injustice abounds; man being endowed with the ability to reason, yet gross ignorance prevails and an overwhelming stupidity enshrouds the children of GOD. This most unfortunate and pitiful situation is the result of man choosing to follow his own line of reasoning and to direct his own steps in an endless realm of time, of whose storehouse of fortunes and misfortunes he knows absolutely nothing about, rather than to accept the loving, parental guidance of the All-wise GOD, YAHWEH, who knows the end from the beginning. Although man would sooner or later have taken this course of self-reliance, for he was created a free moral agent with the privilege and ability to make his own decisions, the seed of doubt and the promise of something better was first planted and offered to Eve by satan the devil.

These wicked innovations introduced into what was, until then, a pure and Holy Organization offered Adam and Eve an escape from the burdensome course of obedience, which to them now appeared to be an unnecessary burden that stifled the innate desire and the free expression for an unrestrained and irresponsible life. Jeremiah, for one, saw the folly of this course and understood that man did not possess the necessary wisdom to direct himself. Jeremiah 10:23,24 states:

23 O YAHWEH, I know that the way of man is not in himself: it is not in man that walketh to direct his steps.

24 O YAHWEH, correct me, but with judgment [just measure (R.S.V.)]; not in thine anger, lest thou bring me to nothing.

Thus the sin that would have occurred eventually, at a later date when the earth's population would have increased and man would feel more self-reliant, at a time when he would begin to put the desires of himself and the rest of the masses of humanity first, was introduced by satan the devil in the very beginning to the first human pair. This was the most efficient method, for it acquainted all men, righteous and unrighteous, with sin and its horrible consequences. There will be no human creature born in the Kingdom that will not know the devastating effects of disobedience and sin. Man will never again, because of inexperience, unproven opinions and uncertainty, allow his own reasoning to place him in a quandary. His unguided self-reasoning will never again produce the dreadful dilemmas that prevail in the world today, for all of those born in the Kingdom after the final war during the first thousand years of Yahshua's Reign will be the resurrected ones, and if these all were to live (which they will not), we would find that the earth has already produced more than it could care for in the affluent lifestyle that YAHWEH has promised to those who love HIM.

YAHWEH knows everything concerning HIS entire universe. HE is all-wise and knows the end from the beginning. Therefore, we could not truthfully say that HE did not know that the devil would rebel and cause man to fall, that the devil would become the god of this world and that he would remain so for some six thousand years. During this period of time, he would have uninterrupted rule over all of the nations of this world except for one small nation which YAHWEH chose for HIMSELF.

This nation was the nation of israel, whom YAHWEH used as a typical nation to foreshadow HIS True Israel of Promise. This Israel of Promise would be made up of People of goodwill that would be selected from all races, nations and tongues, for YAHWEH shows no partiality to any race (Acts 10:34) because HE is a Just and Loving GOD. For this reason, YAHWEH does not interfere with the manner of rule instituted by the devil over the nations of this world, neither does YAHWEH have anything to do in choosing the kings that the devil uses to maintain this nefarious system, for to do so would violate justice.

An issue that raised the question of YAHWEH'S supremacy would have to be settled without YAHWEH'S interference, giving the devil a free

hand to put his scheme of things into operation. This would also mean that YAHWEH would have to allow the devil a reasonable space of time to develop and, if possible, to improve on this scheme, for the devil made himself equal to YAHWEH and said that he would match the MOST HIGH (Isa. 14:14). In order to succeed in his ambition, he would have to organize and maintain a successful and acceptable government that would merit the name of government, for a righteous government is a blessing to its subjects, guaranteeing all men an equal share in the wealth produced by the system and giving no reason for any outcries of injustice to be heard from those who are governed.

Let us examine some scriptures wherein it does appear that YAHWEH actually selected certain kings to rule this heathen world. Ezra 1:1-3, Moff. Trans., states:

1 In the first year of Cyrus king of Persia, that the prediction of the Eternal announced by Jeremiah might be carried out, the Eternal moved Cyrus king of Persia to issue a proclamation throughout all his realm, and to put it in writing.

2 By order of Cyrus king of Persia: the Eternal the God of heaven has given me all kingdoms of the earth, and he has commissioned me to build him a temple at Jerusalem which is in Judah.

3 Whosoever among you belongs to his people (may his God be with him), let him go up to Jerusalem which is in Judah, and build the temple of the Eternal, the God of Israel, who is God, in Jerusalem.

The important line to be considered here is this: "The Eternal the God of heaven has given me all kingdoms of the earth." Psalm 24:1 has this to say:

The earth is YAHWEH'S, and the fulness thereof; the world, and they that dwell therein.

In truth, the entire earth with all of HIS creatures on it, does belong to YAHWEH, the CREATOR of *all* things. And this is further emphasized by the verse recorded in Ezekiel 18:4, which states:

Behold, all souls are mine; as the soul of the father, so also the soul of the son is mine:

## Daniel Two

---

the soul that sinneth, it shall die.

This being true that all men do belong to YAHWEH, it then follows that whatsoever organization these men (who belong to YAHWEH) create, belongs to YAHWEH also. For strictly speaking, they are *HIS* creatures who built the organization even though YAHWEH has absolutely nothing to do with its construction, not sanctioning it or perhaps even opposing it. But, in permitting *HIS* creatures to build various organizations (or governments) on *HIS* planet, we must truthfully say that man and governments belong to YAHWEH. Therefore, if a certain king were to conquer all other kingdoms on the face of the earth, we could, in a sense, say that YAHWEH has given this certain king all the kingdoms of the earth, for he now controls all of YAHWEH'S creatures. YAHWEH owns all creatures in the spiritual plane above the earth as well, for they also are *HIS* creation, or were permitted to be created within *HIS* universe, although, strictly speaking, YAHWEH'S only direct creation was Yahshua, *HIS* beloved Son. Revelation 3:14:

And unto the angel of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God.

John 1:14:

And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.

(Refer to *YAHWEH The Unknown GOD, The Mystery Of HIS Secret Purpose Revealed, Book One*, pages 269-280.) HE owns the devil who was once called haylale, for he is one of YAHWEH'S creatures.

haylale was created perfect and was blameless in his conduct toward YAHWEH until he chose to rebel (Ezk. 28:15), for all creatures who are created in YAHWEH'S image are free moral agents and are free to choose whatsoever course they may desire. In choosing a course of rebellion and opposition toward his GOD and CREATOR, YAHWEH gave him certain descriptive names. They are "satan," which means adversary; "devil," meaning slanderer or false accuser; "dragon," depicting a monster with

all of its fearful characteristics; and "serpent," named after its hiss which denotes a whisper, and signifying subtle, treacherous and malicious intent, the sum total of which amounts to deceiver. The rebellion of satan the devil in the Garden of Eden amounted to deliberate violation of the express Will of YAHWEH. It was a transgression of the perfect and righteous Law of YAHWEH and was, therefore, sin. This willfully wicked course taken by satan the devil reveals to us that YAHWEH'S creatures can and have disobeyed, and when we realize that YAHWEH did not remove the devil from office but allowed him to remain and to build a mighty organization that encompasses the entire earth, we then begin to perceive the extent of his deceit, and YAHWEH'S Word flatly and bluntly tells us that the devil has, in fact, deceived the whole world (Rev. 12:9). The verse in 1 John 5:19 reveals that the Saints knew that they belonged to YAHWEH but that the whole world was under the control of satan. 2 Corinthians 4:3,4 tells us that it is satan the devil who is the god of this world and that it is he who has blinded the minds of all those who do not understand the Good News concerning YAHWEH'S glorious Kingdom. satan the devil became covetous and was egotistical enough to believe that he could match the MOST HIGH. Isaiah 14:13,14, R.S.V., states:

13 You said in your heart, "I will ascend to heaven; above the stars of God I will set my throne on high; I will sit on the mount of assembly in the far north;

14 I will ascend above the heights of the clouds, I will make myself like the Most High."

he believed that he could lead a rebellion that would cause all of YAHWEH'S creatures to forsake YAHWEH in preference to him. satan's policy was to appeal to the selfish desires in men, desires that they could fulfill directly without the consideration of others, wherein they would not have to waste time by showing the same concern for their neighbor as they did for themselves, which is YAHWEH'S express Will. The devil's policy has brought about division in his organization, wherein all organizations and creatures are divided one against another; nation against nation, organization against organization, man against man. And, as if this were not enough, many of the losers develop a marked disintegration of their personality, a split

## Daniel Two

personality, a psychosis known as schizophrenia. This is a last supreme effort by the mind to relieve an intolerable feeling of incompetence and inferiority, brought about by a system which expects the individual to accept it and to perform even though it goes contrary to the attributes of YAHWEH, which HE has created in us. These are love, justice, wisdom and power. The devil's plan did begin to backfire from the very beginning and continues to do so. We are now approaching a time of trouble such as there has never been before or ever will be again (Dan. 12:1), for Yahshua prophesied almost two thousand years ago that this divided condition would bring about its doom (Matt. 12:25).

Therefore, even though all creatures belong to YAHWEH, the allegiance of all of the nations of this world belongs to the devil who controls and guides them. The devil, therefore, becomes their god and, as proof that the kingdoms of this world belong to him, let us turn to Matthew 4:8,9, R.S.V., which states:

- 8 Again, the devil took him to a very high mountain, and showed him all the kingdoms of the world and the glory of them;  
9 and he said to him, "All these I will give you, if you will fall down and worship me."

The devil could never offer these kingdoms to Yahshua if they were not his already. They were his and they are still his, for the world has not as yet ended. For this reason, the religionists of this world, who give their allegiance to this world, who vote for the politicians of this world, who pray for the success and continuation of this world, are doing all in their power to try to guarantee that the devil, whom they serve, may continue in office. YAHWEH, who deals with Israel *alone* and has never dealt with any of the heathen nations in the past or present, had an absolute right to see that HIS typical nation of israel would continue to foreshadow the events that would be fulfilled in HIS True Israel of Promise, which would be made up of all races of men of goodwill called out from all nations of this world. YAHWEH did not inspire Cyrus, neither did HE guide nor aid him in his kingly duties over the heathen nations. YAHWEH merely inspired him to make possible what otherwise would have been an impossibility. Cyrus sanctioned and aided the jews in the rebuilding of the temple in jerusalem. And YAHWEH did not

otherwise, or in any way, for that matter, deal with him as HIS appointed king over HIS people as HE did with David, for example. Thus, we arrive at a situation where YAHWEH, the True GOD, the GOD of love, justice, wisdom and power is permitting rebellions in HIS universal domain—which is an act of love (unselfishness expressed)—that man may find out for himself the course of disobedience, for he has a right to know; this is justice, in order that all righteous creation may compare and see the beauty of YAHWEH'S Purpose toward HIS creatures, never again having any reason for uncertainty. Never again will there be a moment of hesitation in following HIM with their whole hearts. This miraculous accomplishment will reveal the unsearchable wisdom of YAHWEH. When the righteous are separated from the wicked and all wicked ones, both in heaven and earth, are forever destroyed, HIS almighty power is made clear to all the living. YAHWEH, who knows the end from the beginning, caused these words to be recorded in Exodus 9:16, Leeser,\* concerning the devil:

But for this cause have I allowed thee to remain, in order to show thee my power; and in order that they may proclaim my name throughout all the earth.

The verses in Isaiah 44:28 and 45:1-6, which speak of Cyrus, are merely typical and they allude to a far greater Cyrus fulfilled in Yahshua, for the literal Cyrus fulfilled a mere fragment of these promises and this occurred at a time when YAHWEH was still using the israel of the flesh to foreshadow greater things to come, to be fulfilled in HIS Israel of Promise. Also, Cyrus was never used to bring about any lasting blessings, for the israel of the flesh, which YAHWEH had used as a type, was again conquered and destroyed and this time forever.

Nebuchadnezzar, king of babylon, was referred to by YAHWEH as "my servant" (Jer. 27:6). Does this mean that Nebuchadnezzar was YAHWEH'S appointed king, who became YAHWEH'S meek and humble servant? *No, emphatically no!* The purpose of Nebuchadnezzar was entirely selfish. The service that he rendered to YAHWEH was to conquer the stubborn and stiff-necked people, who were used in a typical sense to instruct and bless the True Israel of Promise. YAHWEH removed HIS protecting hand from the israel of the flesh

\* *The Twenty-four Books of the Holy Bible, Hebrew and English* by Isaac Leeser

## Daniel Two

and the heathen king Nebuchadnezzar moved in and conquered.

The wisdom of YAHWEH is infinite and unsearchable. Every creature in the entire universe serves YAHWEH, whether they want to or not, whether they know it or not. satan the devil, in his selfish endeavor to turn all creatures against YAHWEH and to have them serve him, will soon find out, if he does not already know it, that instead of turning all creatures against YAHWEH and taking YAHWEH'S position in the universe, he has also served YAHWEH, unwilling as he may have been. satan is used to cleanse YAHWEH'S Organization of all wickedness. he is used to acquaint all people with disobedience and sin, that all creation may learn the results thereof. The horror that they experience will be indelibly inscribed in their hearts so that never again will they be snared into following the imagination of their own hearts, but will hearken to YAHWEH, the All-wise and All-loving GOD throughout eternity. The disobedience of the devil and the resultant horrible collapse of his entire disobedient organization will vindicate the Name of YAHWEH forever in the eyes of all HIS creatures and then YAHWEH *alone* will be *everything to everybody, forever.*

The last portion of verse 21 in Daniel 2, R.S.V., states: "he gives wisdom to the wise and knowledge to those who have understanding." This verse, in a very, very meager manner, is endeavoring to acquaint us with the supremacy of YAHWEH'S wisdom, which is immeasurably above all of HIS creatures, regardless of how much wisdom they may attain. The truth of the matter is that YAHWEH is all-wise, knowing all things at all times: past, present and future (meaning the future throughout eternity). And even though men will gain everlasting life, they will continue to learn from YAHWEH forever and never attain to the fullness of HIS wisdom. This wisdom is unsearchable. It is beyond human comprehension. Israel's hearts are confident now and will be forever because YAHWEH and YAHWEH *alone* is our GOD.

Daniel's prayer continues with his conviction that it is YAHWEH who reveals the true mysteries, the understanding of which man needs in order to receive HIS blessings. And what is dark and hidden to everyone else is known to YAHWEH, and all Light, or Understanding, is HIS. Daniel then thanks YAHWEH, whom he calls the GOD of his

Fathers. In this, he is referring to Abraham, Isaac and Jacob and all of the faithful Israelites thereafter who preceded him. He acknowledges that it is YAHWEH who has given him wisdom and strength and that it is *HE* who has revealed what king Nebuchadnezzar had demanded.

Daniel then went to Arioch, the one that the king had appointed to destroy the wise men of babylon and informed him that there was no reason to destroy the wise men, for Daniel now had the answer. Arioch quickly brought Daniel before the king and informed him that he had found, among the exiles of judah, a man who could give the interpretation. The king then asked Daniel if he could really make known the dream that he had seen and reveal its interpretation. Daniel's answer was that it was altogether impossible for any human, regardless of the wisdom he may have attained, to reveal this mystery, but there is a GOD in Heaven who reveals mysteries and HE has made known to king Nebuchadnezzar what will be in the "latter days," or in the "end of the days" (Smith\*), meaning the last days (verses 27,28). Daniel informed the king that the thoughts that came to him in his bed were what was to happen in the future and that YAHWEH would reveal what the future would be in the last days of this world. Again, Daniel made it clear that it was not because of any superior wisdom that he personally possessed above other men that had enabled him to have this mystery revealed to him, but simply to make known to the king the meaning of the dream and to understand it.

Israel, who is endowed with YAHWEH'S Holy Spirit, understands that any interpretation given of a prophecy that pertained to the last days would certainly not have been understood at that time, for the nations whose roles were to fulfill the prophecy were centuries away from even beginning to exist. Therefore, any interpretation given at that time that was understood by the king could not be the ultimate fulfillment, but had to be a miniature (or a model) foreshadowing a far greater fulfillment.

The prophetic portion of Daniel Two begins with verse 31. Verses 31-33 state:

31 Thou, O king, sawest, and behold a great image. This great image, whose brightness was excellent, stood before thee; and the form thereof was terrible.

32 This image's head was of fine gold, his breast and his arms of silver, his belly and

his thighs of brass,  
33 His legs of iron, his feet part of iron  
and part of clay.

In order to effectively study this prophecy, we must bear in mind and begin with what Nebuchadnezzar actually saw. What he did see was a mighty image, or statue, of extreme brightness standing in its entirety, whose appearance was frightening. He saw the image standing intact, from head to toe. He did not see a portion at a time. This would require that whatever the head, breast and arms, belly and thighs, legs and feet (with the feet made up of part iron and part clay) were to represent would have to be in existence at the same time and would have to function together as a body.

Verse 34 states:

**Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces.**

The Stone mentioned here is Yahshua (Isa. 28:16; 8:14,15; Acts 4:11; Eph. 2:20). 1 Peter 2:6-8 states:

6 Wherefore also it is contained in the scripture, Behold, I lay in Sion a chief corner stone, elect, precious: and he that believeth on him shall not be confounded.

7 Unto you therefore which believe he is precious: but unto them which be disobedient, the stone which the builders disallowed, the same is made the head of the corner,

8 And a stone of stumbling, and a rock of offence, even to them which stumble at the word, being disobedient: whereunto also they were appointed.

Yahshua has been made the Head over YAHWEH'S entire Organization, both Heavenly and Earthly, and all the progressive steps taken against the devil's organization proceed from Him (Eph. 1:19-23; Rev. 6:2; 19:15,21).

The first step taken against the devil's organization began in 1913 when the devil and his angels were cast out of heaven. This is recorded in Revelation 12:7,8, R.S.V. :

7 Now war arose in heaven, Michael and his angels fighting against the dragon; and the dragon and his angels fought,  
8 but they were defeated and there was no longer any place for them in heaven.

The final step taken by Yahshua, which will completely annihilate the devil's organization, is directed against the remaining earthly portion over which the devil and his demons, who are now on earth, still bear rule.

The whole image, or statue, standing in its entirety, as will be explained in detail later, represents satan's entire organization, both heavenly and earthly. The legs, or bottom portion of the image, represent the earthly portion thereof, while the feet, the very last portion of the image, depict conditions on earth in the very last days. Verse 28 is herein quoted: "But there is a God in heaven that revealeth secrets, and maketh known to the King Nebuchadnezzar what shall be in the latter days..." or "at the end of this age" (N.E.B.). This means that in the very last days of its existence this corrupt, wicked world (or system of things) will be dominated by two superpowers bearing the characteristics of the materials which make up the feet of this image. There is now in existence a king of iron, meaning that this king bears an iron rule, or employs a totalitarian system of government, wherein no freedom of speech or religion is tolerated, wherein no external force or influence is permitted to make any impression to alter or affect its prescribed standard of rule. At the same time, living side by side to the king of iron, there exists another superpower whose influence and type of government has won the support of those nations who believe in freedom of speech and religion and free enterprise. This power fulfills the clay portion of the image for, in this power where free speech is permitted, the hardness and unyielding characteristics of the iron are replaced with fragile clay. For this reason, the system is less able to cope with uprisings and changes that plague it, because the system is based on selfishness, and free enterprise is nothing more than a system of legalized thievery, resulting in great injustices being heaped upon the less fortunate, or the poor of the earth. These nations with their opposing ideologies, that are competing with one another for world domination, will take the lead in bringing about the destruction of this world (or present system of things). This will put

## Daniel Two

---

an end to the entire organization of the devil, visible and invisible, forever. And YAHWEH'S Kingdom on earth, which has already been authorized to expose this wicked system and begin the New System, will dominate and be given complete control over the entire earth. This is symbolically referred to as the Mountain that "shall be established as the highest of the mountains, and shall be raised above the hills; and all the nations shall flow to it" (Isa. 2:2, R.S.V.).

Verse 35 states:

**Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshingfloors; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth.**

*The Septuagint Version* (Sept.) corrects a minor inconsistency in the Hebrew text wherein the only fault we can find is that the iron is broken before the clay. This is incorrect because the feet have a clay covering (refer to verses 41 and 43 in this article) and this would place the clay outside of the iron and therefore the first to be struck. Verse 35, Sept., quote:

**Then once for all the earthenware, the iron, the brass, the silver, the gold, were ground to powder, and became as chaff from the summer threshingfloor; and the violence of the wind carried them away, and no place was found for them: and the stone which had smitten the image became a great mountain, and filled all the earth.**

With the destruction of the feet of the image, which represent the earthly portion of the devil's organization in the very last days and is the portion that is ruled by the invisible demon powers directly above the legs, the wicked spirit powers of the air no longer have an earthly organization to rule over that maintains control over the earth. The devil has now failed completely in his boast to turn all creatures against YAHWEH (Job 1:9-12). YAHWEH can now execute the sentence that was passed upon satan in the very beginning of his rebellion (Gen. 3:15). The sentence is everlasting

death, symbolized by the bottomless pit which he is thrown into at this time (Rev. 20:1-3). The most crucial point and the key to the understanding of this entire prophecy is found in this verse. Note: the clay, the iron, the bronze, the silver and the gold were broken in pieces *together*, according to the order given in the Septuagint. Any interpretation given, whose teachings allow for a lapse of time between the collapse of the different metals, must deliberately ignore what is stated in this verse and violate the understanding given herein. Like chaff is blown away and not found again, the entire organization of the devil (both heavenly and earthly) will be done away with forever. The Stone, which represents Yahshua, who is the Head over YAHWEH'S entire Organization, builds the Earthly Portion of the Kingdom that will encompass the entire earth so that there will be no room for wickedness to rise up again.

Verses 36-38 state:

**36 This is the dream; and we will tell the interpretation thereof before the king.**

**37 Thou, O king, art a king of kings: for the God of heaven hath given thee a kingdom, power, and strength, and glory.**

**38 And wheresoever the children of men dwell, the beasts of the field and the fowls of the heaven hath he given into thine hand, and hath made thee ruler over them all. Thou art this head of gold.**

These verses seem to point to Nebuchadnezzar, the king of babylon, as representing the head of this great image which was seen by him in its entirety with all of its frightening appearance. The questions that now arise are these: How could the earthly king of babylon literally fulfill this role? The head of gold would naturally have to have the top, or head, position. It would represent the seat of intelligence, the directing force over the entire image that was shown in its *entirety*. Did Nebuchadnezzar, the king of babylon, really have dominion over all men over the entire face of the earth? Were the beasts of the field and the fowls of heaven truly given into his hand and did he rule over them? Nebuchadnezzar, king of babylon, ruler over the third world power, controlled a mere minute fragment of the earth's surface and he did not rule over *all* men or those dwelling beyond the

## Daniel Two

---

border of his influence. Much less was it possible for a mere man of flesh and blood to rule over the beasts of the field and the fowls of the air. This dominating influence could be exercised only by a superhuman creature of whom Nebuchadnezzar, as king of babylon, was a mere type.

The understanding of the Bible, which is the Word of YAHWEH, is revealed to Israel alone, for HE deals with Israel only. This was true in the past when HE dealt with the israel of the flesh, which was a mere type of the Israel of Promise, and is true today in HIS dealings with the Israel of Promise, which shall be everlastingly established on this beautiful earth to bring praise and honor to our One and Only GOD YAHWEH. These are given everlasting life and are given a position of authority upon the earth and are identified in Revelation 7:13-17 in this manner:

13 And one of the elders answered, saying unto me, What are these which are arrayed in white robes? and whence came they?

14 And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb.

15 Therefore are they before the throne of God, and serve him day and night in his temple: and he that sitteth on the throne shall dwell among them.

16 They shall hunger no more, neither thirst any more; neither shall the sun light on them, nor any heat.

17 For the Lamb which is in the midst of the throne shall feed them, and shall lead them unto living fountains of waters: and God shall wipe away all tears from their eyes.

It is The Restored Israel of YAHWEH *alone* that will glorify YAHWEH, for HE states most emphatically in Isaiah 49:3: "Thou art my servant, O Israel, in whom I will be glorified." And again, HE states in Jeremiah 51:19-23:

19 The portion of Jacob is not like them; for he [YAHWEH] is the former of all things: and Israel is the rod of his inheritance: YAHWEH of hosts is his name.  
20 Thou art my battle ax and weapons of war: for with thee will I break in pieces

the nations, and with thee will I destroy kingdoms;

21 And with thee will I break in pieces the horse and his rider; and with thee will I break in pieces the chariot and his rider;

22 With thee also will I break in pieces man and woman; and with thee will I break in pieces old and young; and with thee will I break in pieces the young man and the maid;

23 I will also break in pieces with thee the shepherd and his flock; and with thee will I break in pieces the husbandman and his yoke of oxen; and with thee will I break in pieces captains and rulers.

And it is HIS Restored Israel of Promise that YAHWEH uses to bring honor and glory to HIS Name, for *they* are the obedient ones and in *them* is fulfilled the promise of YAHWEH to establish a Kingdom wherein all of mankind will rejoice. Isaiah 14:1, R.S.V., states:

YAHWEH will have compassion on Jacob and will again choose Israel, and will set them in their own land [a condition where they will feel at home and fulfilled], and aliens will join them [all those who are convinced only when they have the necessary evidence that Israel is correct] and will cleave to the house of Jacob [these will cleave to Israel].

Then verse 7 continues:

The whole earth is at rest and quiet; they break forth into singing.

There is no organization, christian or non-christian, on the face of the entire earth that will be used by YAHWEH, except HIS newly found Nation of Israel, for Micah 5:2, Smith, states:

And you, O Bethlehem Ephrathah, Too little to be among the clans of Judah, From you, one shall come forth for me, Who shall be ruler over Israel, Whose origins are from of old, From ancient days.

This is ignored by christians, but is a promise of YAHWEH and it shall not be set aside by mere men.

## Daniel Two

---

Another crucial point that must be stressed in verse 38 is the interpretation given concerning the head of gold. This point is that it *did not* apply to the nation of babylon, but to Nebuchadnezzar *himself*, for the words recorded in verse 38 plainly state, "you are the head of gold" (R.S.V.). This would make the head of gold a person and *not* a *world power*. he would have to be a creature whose power, authority and sphere of influence would extend beyond human capabilities and who was able to encompass the extent of dominion given to him, as is detailed in verse 38.

Nebuchadnezzar, who was king of babylon some 2,500 years ago, typified the king of babylon today, who is satan the devil, the god of this world. The word *babylon* stems from *babel*, wherein the self-willed and GODless residents of shinar, without authorization from YAHWEH, brazenly took onto themselves the building of a tower which they named *babel*, or *gate of GOD*. This was a great reproach to YAHWEH, the CREATOR of the universe, for no creature has been given the authority to even hint that he has the capability of approaching the realm of the Living GOD, and the mighty hand of YAHWEH came down on these wicked builders and thoroughly confused their language so that no one understood what the other was saying. And without communication, they could not continue. The stigma of this curse has never left babylon and whenever the word is mentioned, it is associated with confusion, and as such YAHWEH continues to use the word *babylon* as a symbol of this totally confused world in these very last days. Some six hundred years after babylon was destroyed and ceased to exist, YAHWEH was still calling HIS People out of babylon, as is recorded in Revelation 18:4:

And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

When YAHWEH has given Israel true rest, rest which could only be fully realized after the final war, Israel will sing a bitter and insulting song against the king of babylon, from whose influence they have finally been freed—forever. Isaiah 14:3-7, R.S.V. :

3 When YAHWEH has given you rest from your pain and turmoil and the hard service

with which you were made to serve,  
4 you will take up this taunt against the king of Babylon: "How the oppressor has ceased, the insolent fury ceased!  
5 YAHWEH has broken the staff of the wicked, the scepter of rulers,  
6 that smote the peoples in wrath with unceasing blows, that ruled the nations in anger with unrelenting persecution.  
7 The whole earth is at rest and quiet; they break forth into singing."

And who is this king of babylon who has caused all of this pain and sorrow on earth? Isaiah 14:12-14 answers that it is *haylale* (*lucifer*), the same one that YAHWEH made a covering cherub, or a sheltering angel, over mankind in the Garden of Eden (Ezk. 28:11-15). Isaiah 14:12-14 states:

12 How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!

13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

14 I will ascend above the heights of the clouds; I will be like the most High.

In challenging the "most High," he became YAHWEH'S opponent and YAHWEH accurately describes him with names to fit his characteristics. These are: (as has previously been mentioned and which bears repeating) "satan," meaning adversary; "devil," meaning slanderer or false accuser; "dragon," meaning a monster and "serpent," a deceiver. It is he who is the god of this wicked world (1 John 5:19; 2 Cor. 4:3,4; Rev. 12:9).

satan the devil is the true king of babylon, the antitypical king of babylon, of which Nebuchadnezzar was a mere type. satan's organization, or house, is a divided and a very confused house and it shall soon crumble completely.

Verse 39 states:

And after thee shall arise another kingdom inferior to thee, and another third kingdom of brass, which shall bear rule over all the

earth.

"After you shall arise another kingdom inferior to you" (R.S.V.). This sentence does not state that babylon is conquered by this other kingdom, but that it merely arises. Furthermore, if this other kingdom is referring to the medes and the persians who actually did conquer babylon, the term *inferior* is in open conflict with the historical facts, for the medes and the persians were vastly superior to babylon, or they would never have succeeded in overthrowing babylon. And, as is evidenced by a map of the time, the territorial holdings of the conquerors of babylon, as compared to babylon itself, were equal to babylon being multiplied many times. Furthermore, the image was seen in its entirety and there was no portion of it that was conquered by another: the breast and arms of silver did not rise up against the head and conquer it, for if this were the case, then the head of gold would have had to disappear first, which was not the case. Also the image would have to have been destroyed by degrees, or at different periods of time, which also did not happen. Lastly, if this were the case, then the image would have had to be destroyed from the top down. This is in direct violation to what Daniel was shown by YAHWEH, for the image was struck on the *feet* by no human hands and the *entire* image collapsed all at once.

Finally, verse 39 continues with these words, "and another third kingdom of brass, which shall bear rule over all the earth." As silver is inferior to gold and would indicate an inferior realm than that of the gold, likewise brass, being inferior to silver, would place this kingdom, or domain as the lowest or most inferior of the three. The accepted interpretation of this kingdom of brass by the Bible scholars of this world is that the brass represents the kingdom of greece under Alexander the great. Again, all of the inconsistencies that were evident when the inferior kingdom, represented by the silver, was interpreted to mean the kingdom of the medes and the persians are also found in the interpretation given of the kingdom of brass, for brass is inferior to silver, being of less value. To begin, the kingdom of greece, under Alexander the great, was not inferior to the kingdom of the medes and the persians, for not only were the greeks far advanced over the medes and the persians in all forms of learning and art, but the military campaign directed against them by Alexander and his generals swept through their vastly inferior

resistance like a forest fire blown by a very hard wind. The efficiency of this campaign is described in Daniel 8:5, R.S.V., in these words: "a he-goat came from the west across the face of the whole earth [or all the visible ruling organization], without touching the ground," meaning that he flew through these campaigns as though he actually met with no resistance. As far as the image is concerned, if the brass were to represent the world under Alexander the great, then the silver and the gold, representing medo-persia and babylon respectively, would have had to disappear, for the brass (or greece) would now be in complete authority without any other earthly head over it. It is herein repeated that the image did not collapse piece by piece through vast periods of time nor did it begin to collapse at the top, or head, and progress downward, but was struck on the feet and the whole image, which was made up of different metals, collapsed together. The last portion of verse 39 is herein repeated: "and another third kingdom of brass, which shall bear rule over all the earth." Special notice should be taken concerning this verse, for in this verse is found that the kingdom of brass is the *only* one that bears rule over all the earth. Although the head of gold alludes to Nebuchadnezzar, king of babylon, Nebuchadnezzar could most assuredly *not* fulfill this lofty, superhuman and age-abiding office. As king of the babylon of old, he merely typified the true king of this world-wide babylon—satan the devil, who is the god of this wicked and corrupt world. Furthermore, the vision did not pertain to the day of Nebuchadnezzar but to the last days, when this wicked world will be destroyed. And because the image collapses all at one time, the fulfillment has absolutely nothing to do with Nebuchadnezzar or his kingdom, for both have long since disappeared and the prophecy is about to be fulfilled without him or any of the three kingdoms that followed him in their allotted times.

satan the devil is now understood to be represented by the head of gold. The question now arises: Who are the three successive kingdoms that arise who are each progressively inferior to the one directly above it? This progressive inferiority is made clear to us, not only by the reduced value of the successive metals, but also by the inferior metal being placed directly beneath the superior. This makes the inferior metal submissive to the one directly above it, for it is placed beneath the superior. satan the devil is, therefore, the supreme

## Daniel Two

authority over this symbolic image, and the successive kingdoms that arise are not to be identified in any way with the march of the world powers here on earth, for, as has already been explained, they arose and fell at different periods of time and each successive one was superior to the one that preceded it and not inferior. The kingdom that arises after the head of gold is, therefore, not a kingdom in the sense that it is thought to be. The word *kingdom* is descriptive of a realm, or domain, and may indicate any sphere of influence. For this reason we employ terms descriptive of various spheres of influence and the plane, or level, of their domain, as *kingdoms*. Thusly, we hear and read of the animal kingdom, the kingdom of the sea and so on. This kingdom that arises after satan the devil, and that is inferior (in the sense that it is subordinate to the head of gold), is the realm, or domain, or sphere of influence, employed by satan the devil to rule over all of his vast empire, both invisible and visible. satan, who is the mimic god, copies his organization from that of YAHWEH'S (Isa. 14:14). YAHWEH is far above HIS Organization as HE is above all of HIS creatures. All of YAHWEH'S Organization and all of HIS creatures are doing HIS Will that HE *alone* may be glorified in the eyes of all creation, for HE is the CREATOR of *all* things, whether visible or invisible. Directly beneath YAHWEH is HIS Capital Organization Zion. This is made up of Yahshua and the 144,000 Kings and Priests (Rev. 14:1). Because Zion is directly submissive to YAHWEH, HE portrays Her as HIS Wife and HIMSELF as Her HUSBAND (Isa. 54:5-8), for a wife was to be submissive to her husband (1 Cor. 11:3).

Yahshua is the beginning of YAHWEH'S creations (Rev. 3:14) and He has been made the Head over all things (Col. 1:15-20). He is the Chief Corner Stone in the entire Kingdom of YAHWEH, both Heavenly and Earthly (Eph. 2:19-22; 1 Peter 2:6; Isa. 28:16).

Beneath Zion and directly above the earth are YAHWEH'S obedient Holy Angels, or Messengers. These carry instructions from Zion to HIS Holy Prophets who are the heads over Earthly Israel, which are the 200 million (minus 144,000) who are to rule along with them. This Earthly Israel makes up the Earthly Ruling Portion of YAHWEH'S Holy Kingdom.

Therefore, because there is no direct contact

between YAHWEH and man and all guidance and instruction is given to him by the Holy Angels, it can correctly be said that the Angels rule over man, for man is carrying out the orders given him by the Angels. In this respect, man is doing the will of the Angels. However, Israel does understand that the will of the Angels that they obey does not *originate* with the Angels. Men who do the will of the Angels are obeying Angels who are obeying Zion. And Zion, who is YAHWEH'S Woman, is doing the Will of YAHWEH. Because of this, all mankind is being guided and taught by YAHWEH. This is pictured by Zion, who is YAHWEH'S Woman and who bears HIS Children (because it is Her influence that gathers them), as having Her Children taught by YAHWEH. Isaiah 54:13 states:

And all thy children shall be taught of YAHWEH; and great shall be the peace of thy children.

The kingdom, or realm, that arises after the head of gold which represents satan the devil is the beginning of satan's invisible organization and in these last days after 1917 is patterned after YAHWEH'S Zion. And as YAHWEH has chosen Yahshua to be the beginning of HIS Supreme, Universal Organization and has set Him at the top and made Him the Head over all of YAHWEH'S obedient creation, likewise satan, the mimic god, has chosen rosh to head his capital organization and made him the beginning and set him at the top over all of his demonized forces (Ezk. 38:2; 39:1, Moff. Trans., E.B.,\* N.A.S.,\*\* N.E.B., J.B.\*\*\*). *rosh* means "head, top or beginning" and is miraculously descriptive of his position. In fact, it is the meaning of his name that has revealed his position as well as the positions of the others whose names are gog, meshech and tubal (pronounced thoo-VAWL). These will be explained later.

Verse 39 also reveals to us that satan was alone at the initial time of his rebellion and had no organization to support him, for the verse states: "After you shall arise another kingdom inferior to you" (R.S.V.), or a sphere of influence directly beneath you.

In order to open up the understanding of one of the secrets that has been hidden in this prophecy until it was revealed to HIS Prophets, the latter portion of verse 39 is again repeated: "and another third kingdom of brass, which shall bear rule over

## Daniel Two

all the earth." It will be noted that neither the gold nor the silver but the brass *alone* is specified as bearing rule over the whole earth. This is consistent with the interpretation YAHWEH has given HIS Prophet, for the brass represents the angels and in this case wicked angels, or demons, and these alone make contact with these wicked ruling earthly organizations. And, as has been previously explained, the blind rulers of this world obey these invisible demon forces in the same manner that Israel obeys YAHWEH'S Holy Angels. The brass represents the wicked angels, or demons, and these are the only ones who make direct contact with the earthly portion of the devil's organization. The brass can, therefore, be correctly identified as the *only* one that literally bears rule over all the earth.

Verse 40 states:

And the fourth kingdom shall be strong as iron: forasmuch as iron breaketh in pieces and subdueth all things: and as iron that breaketh all these, shall it break in pieces and bruise.

Or as correctly translated from the original Hebrew (which should be read from right to left) and clarified by The Restored Israel of YAHWEH:

The clarification:

And the fourth kingdom shall be strong as iron forasmuch as iron beats to dust and crushes, and protects, and as iron which breaks in pieces, shatters all these and

**breaks through.**

The iron on the image was seen on the lowest portion of the body, or the legs. The iron was directly beneath the brass, which said brass was directly over the earth, for the brass bore *rule* over all the earth. The iron, therefore, represents that which is on earth or, more specifically, the *visible* ruling element of satan's organization, for the whole world, or the whole system, belongs to the devil (1 John 5:19, R.S.V. ; Rev. 12:9). The iron, therefore, represents a realm, a domain, or a sphere of influence lower than that of the brass. This could only be identified with man, for man is the next in the line of descent and it is man who has been created a little lower than the Angels and it is so stated in Psalm 8:4-6:

4 What is man, that thou art mindful of him? and the son of man, that thou visitest him?

5 For thou hast made him a little lower than the angels, and hast crowned him with glory and honour.

6 Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet.

(Refer also to *The Emphasized Bible*, by J.B. Rotherham.)

Centuries ago israel was promised certain blessings if they were obedient to YAHWEH and followed HIS statutes. Deuteronomy 28:1,2, J.B. :

1 But if you obey the voice of YAHWEH your God faithfully, keeping and observing all those commandments of his that I enjoin on you today, YAHWEH your God will set you high above all the nations of the earth.

2 All the blessings that follow shall come up with you and overtake you if only you obey the voice of YAHWEH your God.

These blessings are described in verses 2 through 14. They were also warned that if they did not obey the voice of YAHWEH or be careful to do all HIS commandments and HIS statutes, that HE would cause these conditions described herein to prevail over israel. Deuteronomy 28:15-19, J.B., describes them:

15 'But if you do not obey the voice of

YAHWEH your God nor keep and observe all those commandments and statutes of his that I enjoin on you today, then all the curses that follow shall come up with you and overtake you.

16 'You will be accursed in the town and accursed in the country.

17 Accursed will be your pannier and your bread bin.

18 Accursed will be the fruit of your body, the produce of your soil, the increase of your cattle, the young of your flock.

19 Accursed will you be coming in, and accursed going out.'

He then continues in verse 23:

The heavens above you will be brass, the earth beneath you iron.

This has already taken place and satan's organization now rules over the israel of the flesh as YAHWEH had threatened to allow. It is herein repeated that the brass represents the wicked invisible demon forces and the iron the earthly portion of the devil's organization. The israel of the flesh is now completely absorbed in worldly affairs, which YAHWEH strictly forbade them to do. And what of the blessings they were promised? YAHWEH knew the israel of the flesh would fail HIM because, as has been previously stated, HE knows the end from the beginning. These blessings YAHWEH promised israel will be fulfilled with HIS Israel of Promise—HIS *Restored* Israel of Promise. These will not fail HIM, for they are chosen for their heart condition and not their nationality. Because individuals may be the descendants of Abraham, this does not make them the Children of Abraham (Rom. 9:6,7, R.S.V.). So, it is YAHWEH'S Restored Israel, who will prove their faith and loyalty to HIM, who will receive these promised blessings.

The latter portion of verse 40 will now be considered from *The New English Bible*:

**And there shall be a fourth kingdom, strong as iron; as iron shatters and destroys all things, it shall break and shatter the whole earth.**

In order to block satan's efforts to sidetrack you

and not throw you into utter confusion at this time, you must bear in mind that the dream pertains to the last days and that the image, as seen by Nebuchadnezzar, represents satan and his entire organization. The pinnacle, or high point, of all of satan's efforts to subdue the earth and to maintain full control of the entire human race will be achieved when he is able to unite the world into one governing body, under one religious head. In order to accomplish this, he must suspend, or arrest, all activities of all individuals or organizations that are actively engaged in resisting this union of confused and opposing ideologies, whether religious, political or any other. Chief among the opposers will be The Restored Israel of YAHWEH, though not for the same reason that it will be opposed by some of the members of this world. Israel will have absolutely no interest in the betterment or continuation of this present wicked world.

The only hope for the people of goodwill, or the righteous ones of the earth, is in YAHWEH'S Kingdom, when this Kingdom has taken over full and complete control of the entire earth. This can only take place after YAHWEH has completely destroyed all of the presently existing nations in the final war.

This New Nation is HIS Restored Israel of Promise, or The Restored Israel of YAHWEH, whose King is Yahshua, the King of *Israel* and of *Israel alone* (Mic. 5:2, R.S.V.; Isa. 9:6,7; 19:25; Matt. 2:6; Acts 28:20; Gal. 6:15,16, Phillips\*; Heb. 8:7,8).

satan's supreme effort to unify the world in order to stamp out YAHWEH'S Kingdom will result in his building of an abominable, that is, hateful, offensive and unclean organization. This wicked organization will, for a time, supplant YAHWEH'S Kingdom on earth and will direct its efforts toward stopping the flow of people from his wicked system over to Israel. Those who are, at this time, deceived into remaining with the god of this world will be cut off from YAHWEH'S New World and its inherent blessings and will be rendered desolate. For this reason, YAHWEH has named this evil structure the "abomination of desolation," or "desolating sacrilege" (R.S.V.). This stands in the Holy Place, or tramples upon YAHWEH'S already established Kingdom (Matt. 24:15; Dan. 7:23; Dan. 8:23-25, refer also to Moff. Trans.). It is this abomination of desolation (or anti-Christ) that is

about to be established that will completely fulfill the kingdom of iron seen on the image, for the rule shall be, as the scripture bears out, "strong as iron; as iron shatters and destroys all things, it shall break and shatter the whole earth" (N.E.B.). This monstrous organization will completely fall apart by itself, for it will be unable to stand the onslaught of YAHWEH'S overwhelming torrent of Truths directed against this wicked world by Yahshua, the King of Israel, and spoken on earth by the Citizens of Israel (Rev. 19:15,21; Isa. 10:17). None but the iron shatters the whole earth because the iron alone represents the earth.

Verse 41, as correctly translated from the original Hebrew and clarified by The Restored Israel of YAHWEH:

וְאֶצְבְּעָתָא רַגְלֵיָא וְדִי-חֲזִיתָּהּ אַּנְד  
toes and feet saw you whereas And

saw you as Forasmuch .be shall it in

בְּחֶסֶף מְעָרְב פְּרֻזָּא

מִינָא  
.coating becoming

**The clarification:**

And whereas you saw the feet and toes part of sherds of clay taken from a potter and part of iron, it shall be a divided kingdom but its main hardness shall be in the iron. Forasmuch as you saw iron combined with a becoming dressing of clay.

The democracies will, however, propagate the virtues of their system, and endeavor to cover up its ugly inner-working mechanism with a becoming

dressing, or covering of clay. Stucco is often used in masonry repairs to cover over a wall that has become weather-beaten and no longer has any visual appeal, but in reality has become an eyesore. So, with a skillful and neat application of mortar, the mason plasters over the whole mess and makes it presentable.

The feet and toes will be of cold, hard, unyielding iron. The king of clay, for appearances only, will attempt to hide the hard, fast rule that will be the result of this union by shielding from sight the unadorned, unrelenting iron with a becoming coating of clay. The coating of clay will say in effect: "This will not be a totalitarian rule, but will be yielding and merciful, giving in to the desires of the people." In other words the clay coating will be used as a cover-up, something that this nation, the u.s.a., does continuously and is, therefore, well versed in. It will soon be branded "the champ" when it pulls its last farce in harmony with russia by outlawing The Restored Israel of YAHWEH and silencing our preaching. The excuse—we endanger the peace of the world. This abomination of desolation will have made its last move in its campaign against Israel when it invades the peaceful, unwallled villages of Israel and by brute force begins to steal our supplies that we have produced with our hands and our hands alone.

In Ezekiel 38:18,19,21 YAHWEH clearly describes HIS anger when satan and his hordes make this move on HIS People. Ezekiel 38:18,19,21:

18 And it shall come to pass at the same time when Gog shall come against the land of Israel, saith the Lord YAHWEH, that my fury shall come up in my face.

19 For in my jealousy and in the fire of my wrath have I spoken, Surely in that day there shall be a great shaking in [because of] the land of Israel;

21 And I will call for a sword against him throughout all my mountains, saith the Lord YAHWEH: every man's sword shall be against his brother.

This will be the time that Israel has been taught to wait for. This will be the time when the conflicting ideologies of this totally misinformed and confused world will turn on each other with realistic murder in their hearts. This, as all will realize at this time, will be the final and total end of this world, or system of things. Amen.

## Daniel Two

---

Note that in the description of the feet and toes no other kingdom is mentioned, as was the case with the progressively inferior kingdoms of silver, brass and iron, nor is it inferior in any way, for the iron is still present. The introduction of the clay is merely descriptive of a weakness, or fragility, in the overall iron rule of the devil's earthly organization and is to be associated with the democracies. These democracies, which guarantee the basic freedoms to their people, must, according to their established laws, allow Israel to publish YAHWEH'S Truth. This Truth consists of thoroughly exposing the entire organization of the devil and pronouncing YAHWEH'S judgment of doom and everlasting destruction upon all of the existing nations on the face of the *entire* earth because they are no part of YAHWEH'S Organization, but belong to satan the devil.

Although the feet are a part of the earthly kingdom, realm, or sphere of influence, as the lowest level of the entire structure and are combined with the legs in this capacity, yet YAHWEH has chosen to give them separate mention. The reason being that it is the Will of YAHWEH, the GOD of Israel, to reveal to HIS People exactly what the conditions on earth would be like just prior to the destruction of all of the heathen nations which now encompass the entire earth and the full and final deliverance of Israel for all time; for the feet, which are the last members of the entire body, are used to symbolize the last in time, or the condition of this world in the very last days.

YAHWEH gives us an example of this in the fifty-second chapter and the seventh verse of the Book of Isaiah wherein the Feet of Him refer to the Last Members of the Body of Yahshua, who is referred to as "Him." His Feet are the Last Members of the Church that are gathered in the last days. Isaiah 52:7, R.S.V., states:

How beautiful upon the mountains are the feet of him who brings good tidings, who publishes peace, who brings good tidings of good, who publishes salvation, who says to Zion, "Your God reigns."

It is necessary that a full explanation of this verse be given in order to uncover the hidden meaning contained herein which, when understood, can be an aid in correctly identifying the role of the feet in Daniel 2:41.

The word *beautiful* does not refer to visual beauty, but to the grace and charm of a righteous and obedient People whom YAHWEH has termed beautiful because they stand clean and unspotted in their devotion to HIM and are, therefore, in a spiritual sense, beautiful to look upon. The mountains refer to the strongholds, or the governments of this world. (Refer to Isaiah 2:2,3; 11:9. These typify YAHWEH'S Kingdom.) In Jeremiah 51:24,25, the mountain refers to the kingdom of babylon. The Feet of Him who bring good tidings are the Last Members of His Body who preach the Gospel, or Good News of the Kingdom throughout the governments of this world. These preach of the goodness and the peace and the salvation brought about only through YAHWEH'S established Kingdom under HIS appointed King Yahshua. These are quoted as telling Zion, "Thy God reigneth!" or "Your God reigns" (R.S.V.). Zion does not have to be told anything from anyone on earth, for it is YAHWEH'S Capital Organization, and all rule and authority proceed from Her, for YAHWEH has so decreed. What it does mean is that they avouch, which means that they affirm openly, declare positively, or confess that GOD is now reigning, for one of the many renderings of the word translated "saith" or "says" (in modern terminology) from the Hebrew אָמַר, pronounced aw-MAR, is "avouch." This means that it is these Last Members chosen in these last days who complete the Church, which is the Body of Yahshua, who have been endowed with YAHWEH'S Spirit and have understood that Yahshua had already come to His Temple in 1918 (although the correct date is 1917; 1917 is termed the date when the total of twelve months are fulfilled and accounted for following 1916) and had begun His Reign. The feet are used to symbolize that which comes after, or that which follows, or the Final Members chosen to complete His Body. These were chosen from the group that were then known as International Bible Students and who later named themselves Jehovah's Witnesses, for these alone, of all the religions on earth, understood YAHWEH'S Purpose for mankind.

We can now, therefore, properly identify the Feet of Yahshua with the feet on the image as pertaining to the end, or that which is last in a given period of time. The feet on the image would, therefore, be descriptive of conditions on earth in the very last days of satan's organization,

for there is nothing that follows the feet but complete and total destruction for the entire organization, both earthly and heavenly, for the Stone strikes the image on the feet of iron and clay and the entire image collapses.

The condition that does exist and is evident to all is that the world is divided into two types of governments which are motivated by two schools of thought. One maintains that if man is given his head, so to speak, and allowed to move freely and fit himself into the moving pattern of a system of free enterprise, the needs of everyone will be achieved through a fairly even flow of supplies to the consumer. The producers are stimulated by the demands of the consumers and the vision of profits to be gained by meeting these demands. Thus, in theory, suppliers will emerge to fill the voids created by the needs of the people and a very fluid system is the result, and, like a fluid, should seek its own level. The greater the demand, the more suppliers arise, each competing with the other to get his share of the business. This competitive spirit, though altogether unnatural to man who is created in YAHWEH'S image, is the most healthful ingredient in a wholly selfish and altogether inadequate system, for where there is competition, prices are kept to a minimum and actual robbery is curtailed. However, one must bear in mind that the system gears people to be selfishly motivated and the moral guidelines of the free enterprise system which make up its fundamental principles are easily and very frequently ruptured. Therefore, the innocent consumers are plagued with the chronic maladies of price fixing among the producers, completely erasing free and open competition, which is the only controlling element that gives the system a semblance of sanity; holding back natural resources and other commodities from the free market in order to create an artificial shortage, the intent of which is a psychological and systematic demoralization of the masses, resulting in their willingness, through deprivation, to pay practically any outrageous price demanded of them.

Bribery has become a way of life in the nations employing the free enterprise system and the businessman paying them to the elected officials, or the political rulers, are in line for special favors in the business world. These favors are fulfilled in many ways, from the granting of extravagantly priced contracts, profusely spotted with loopholes which offer additional tasty mouthfuls for every fluctuation in the market index or changes in the

original contract, to the pardoning of publicly recognized criminals in high places. How fitting are the words recorded in Isaiah 59:14,15, Smith:

14 Justice has been driven back, And righteousness stands afar; Truth stumbles in the public place, And honesty can find no entrance;

15 Truth is not to be found, And he who shuns evil makes himself an easy mark. "YAHWEH saw with displeasure That there was no justice."

In this unjust and corrupt system of legalized thievery, those who have will gain more and those who have not will lose even what they have. This system of free enterprise has reached a degree of corruption that baffles the wildest imagination. It has been, and is even more so now, a proven complete and total failure in rewarding its citizens equally, nor has true equality even entered the minds of its men in authority, for the primary concern of these men is in themselves and the fulfillment of their egotistical aspirations. The system has become so degenerate that those who are to represent the people, elected by them for this very purpose, have become the mouthpieces of *big business* and serve *its* interests rather than the interests of the people. The poor of the earth, who make up the majority of the population, have been gullible and as a result have been betrayed by those whom they had assumed would be their benefactors. For this reason, the atrocious conduct of big business continues in its behavioral pattern uninterrupted.

There are, indeed, not many people who dwell in this permissive society who do not recognize the evils that are at work in a system where everything is based on money. Of necessity it becomes the most important ingredient in the lives of its people. Its attainment has become the motivating force in our lives and our inherent human virtues are seen as hindrances that tend to prevent us from pursuing this stimulus to the fullest. Those who are able to cast these virtues aside emerge as the conquering heroes.

Yahshua, who was the greatest of the Prophets, viewed this situation with His perfect mind and it caused Him to utter these famous words which are truly directed toward all monetary systems: "You cannot serve God and mammon" (Matt. 6:24). mammon was the assyrian god of wealth, and

## Daniel Two

---

service to him meant, in a figurative sense, efforts expended toward the accumulation of wealth. The Apostle Paul helps True Israel to understand the snares of satan associated with becoming too deeply involved in monetary pursuits through his admonition recorded in 1 Timothy 6:10: "For the love of money is the root of all evil."

To summarize, it can now be correctly stated that YAHWEH is in opposition to having HIS People held in subjection to a monetary system, and, to speak truthfully and bluntly, the american system of government has been weighed and found wanting by YAHWEH and has already been sentenced to everlasting destruction, never to raise its deceitful, corrupt and ugly head on the human scene again.

The other dominant system of government that has now appeared on the scene in these last days, whose ideologies differ from that of the free enterprise system, is a form of social organization known as communism. The claims of its adherents and the aspirations of the system supposedly are directed toward bringing about true equality by equalizing the distribution of resources and the products of labor. This is done by making the instruments of production common property. In this system private property is abolished and goods are held in common. The credit or blame (choose as you wish) for the apparent need for such a system can be laid at the very door of the free enterprise system, from which its most avid supporters broke rank. These leaders had every reason to denounce a system that relies entirely on selfishness, or greed, as its motivating force. However, to establish a righteous system is an entirely foreign matter in this satanic world and is absolutely impossible to successfully accomplish by man's efforts alone. Whereas, in theory, communism may seem to have the answers, what has truly emerged is a monstrous ruling organization that has reduced its subjects to virtual slavery by prohibiting them from exercising their GOD-given right to speak that which is in their hearts. For a system to be truly successful and fulfilling to those who are a part of it, an individual must be free to do that which he is convinced is correct and right and to remove all possible errors and pitfalls. That which is correct and right is the Will of YAHWEH for HE alone is all-wise. The free enterprise system is not interested in the Will of YAHWEH. The communist system, however, is not only not interested, it will

not even allow HIS Purpose to be taught.

Verse 42, as correctly translated from the original Hebrew and clarified by The Restored Israel of YAHWEH:

מְנַהוֹן	רַגְלֵיָא	וְאֶצְבָּעוֹת	
of part	feet the of	toes the as	And
מִן-קִצֵּת		וּמְנַהוֹן	פְּרָזֶל
whole part	clay	of part and	iron
וּמְנָה	תְּקִיפָא	תְּהוּה	מְלִכּוּתָא
part and	strong	be shall	kingdom
		תְּהוּה	תְּבִירָה
		.fragile	be shall

The clarification:

And as the toes of the feet shall be part of iron and part of clay, a part of the whole kingdom shall be strong and the other part fragile.

The kingdom that is referred to in this verse is the entire earthly organization of satan the devil. It refers to the whole world over which he is god. The feet of iron and clay tell us that in the last days (pictured by the feet) the world will be divided into two major camps, or two dominating superpowers. The iron on the feet tells us that one of these powers will rule with a hard, fast rule, an iron rule, or that one of these superpowers will employ a totalitarian form of government. The iron portion is fulfilled in these last days by the russian power. The clay portion of the feet is descriptive of the characteristics of the other superpower that dominates another great portion of the earth. This division of the earthly portion of satan's organization is described by the last words of verse 42, in *The Authorized Version*, as being "partly broken" but is translated "partly brittle" in most other translations. *The Jerusalem Bible* translates it "partly weak." The word translated "broken," "brittle" or "weak" is תְּבִירָה (pronounced te-*VAR*) and means "to be fragile." This interpretation given of the clay portion of satan's earthly domain tells us that there is an inherent weakness in the superpower that is represented by the clay. In order to recognize this weakness, we

## Daniel Two

---

must understand the force that will be directed against the entire earthly organization made up of iron and clay and why the clay will prove to be the weaker of the two when they are invaded by this force, although *all* opposition to it will crumble shortly thereafter. The devastating force that will strike the king of iron and the king of clay is the revealed Truth of YAHWEH'S Word. This Truth is first understood by HIS resurrected Prophets of Old, for YAHWEH deals with them and reveals HIS Secret to them first (Amos 3:7; Rev. 10:7). The love and the justice, the wisdom and the power of this revealed Truth will cause all people of goodwill to hear and accept it gladly. The 200 million will be the first to come out of this wicked system and come over to the Kingdom of Israel under Yahshua the Reigning King. The Truth will explain in detail that YAHWEH'S resurrected Prophets have now returned to take over the administration of the earth. This announcement will cause the supporters of this world to respond with a furor of resentment toward these Prophets and their supporters, the chief antagonists being those who claim to be the LORD'S People. These will vehemently denounce The Restored Israel of YAHWEH over which the King of Israel, Yahshua, is now reigning. The very ones who claim to have accepted the "Lord Jesus Christ" will take the lead in this.

The amazing depth and extent of satan's power of deception is now revealed to Israel. Those who claim to have accepted the "Lord Jesus Christ" as their personal Savior, will now reject the King of Israel by rejecting the Nation over which He is King. And in so doing and by lending their support to the nations of this world, whose god is satan the devil, they become a part of the anti-Christ that they speak so much against. Could anything be more horrifying? It can be compared to a cute little lovable baby that a mother has just given birth to and that soon develops into a werewolf, a gnome or a monster that is totally alien to man, a creature that is not human.

The weakness associated with the king of clay (the clay representing the democracies headed by the u.s.a.) is revealed to be caused by its own legal structure. The democracies, by guaranteeing the basic freedoms to their people, will be legally unprepared to cope with this onslaught of Truth originating from YAHWEH'S Holy Temple in the Heavens (Rev. 15:5-8; 16:1,17) and spoken by Israel. Israel will then conquer all the righteous of the earth and capture them and make them Slaves

and Servants to YAHWEH'S Truth. These will be once and for all liberated from satan's bondage, wherein they have been held as prisoners because of ignorance of YAHWEH'S Purpose. The blame for this ignorance is laid at the feet of satan the devil and at his mouthpieces, the religionists of this world.

The king of iron, however, has incorporated in its system a natural wall of resistance to this invasion of Truth by prohibiting the publishing of any material which the communist ruling body deems injurious or defamatory to their system. For this reason all news, whether entering or leaving the country, is carefully censored and all that is considered harmful material is screened out. The Truth of YAHWEH'S Word, which will expose their system as being a part of satan's organization, which is keeping the true blessings from its people, will be branded as enemy propaganda and those of its own people who accept it and teach others to do so as traitors.

Thus we see that only one of the two dominant powers will permit the preaching of the Kingdom Message. One is half of two so that, in a sense, we can say that half of the world will permit the speaking of the Truth while the other half will not. YAHWEH tells HIS People Israel that in the last days this is exactly the condition that will prevail. In figurative language HE speaks to HIS People and reveals this information through the use of symbols. Using *ten* as a number representing earthly completeness, HE tells us in Isaiah 19:18 that only five cities in egypt (egypt picturing the existing world that holds HIS People in bondage) would speak the language of Canaan. Five, which is half of ten, indicates that half of all the cities in the world would permit the preaching of the Truth. These cities are easily identified by Israel as being the cities in what is termed the democratic portion of the world. canaan was the promised land of blessings which typical israel was striving to reach. The word *canaan* means "commerce, traffic or trade." Strictly speaking, these terms agree in denoting the exchange of commodities. And, if trade were to be conducted in an unselfish, fair and pure-hearted manner, it would be a medium that could bring untold blessings to mankind. This very method, or system will be instituted, maintained and supervised by Israel in the coming administration which will dominate the entire earth shortly, for in YAHWEH'S Holy Kingdom the use of filthy lucre (ill-gotten gain) and all manner of

## Daniel Two

profit-making schemes will be done away with forever.

At the time that YAHWEH was using the israel of the flesh as a typical people to instruct the present Israel of Promise which is made up of all of the races of mankind, there existed a great city that was wholly devoted to commerce, a veritable marketplace for the nations. The name of this city was tyre. Because she was world famous at the time and is still remembered today (having left a mark in the minds of men), YAHWEH fittingly uses her as a symbol of commerce, or trade (Ezk. 27 and 28 also Isa. 23).

In the twenty-third chapter of Isaiah, YAHWEH describes present-day commerce, or trade (symbolized by tyre) as a crowning, or ruling city (indicating the authority wielded by big business), its merchants as princes (the chief rulers of the earth) and its traders as the honorable of the earth. This perverted outlook stems from the fact that big business possesses the wealth of the earth and the only way that a man in need can get anything for himself is through them.

In the seventeenth and eighteenth verses of the twenty-third chapter of Isaiah, YAHWEH describes the complete transformation of commerce, traffic, or trade from the filthy, piggish, selfish and self-centered, heartless and thoroughly corrupt organization, to one that will devote itself wholly to the attributes of love and justice and will labor to supply one hundred percent of the material needs to all of YAHWEH'S creatures. Isaiah 23:17,18, Moff. Trans., states:

17 At the end of the seventy years the Eternal will restore Tyre, till she regains her trade, trafficking with all the realms of the world over the wide earth;

18 what she makes by her trade shall be sacred to the Eternal, her profits are not to be stored or stowed away, but what she makes shall go to the Eternal's devotees, to provide them with abundant food and choice attire.

Not only will profiteering not exist, it will not even come into mind, for when YAHWEH'S righteous, pure and Holy System is understood and put into operation by Israel, all other systems will, by comparison, reveal their putridity and the righteous will hold their noses at the very sight or mention of the devil's organization.

The Israel of Promise has at last reached the Promised Land, Canaan Land, or the Promised System that will bless all men of goodwill. In the type the israel of the flesh physically trekked through the wilderness to a geographical location known as the land of canaan. To reach the promised land required a great deal of faith, and because faith was lacking among the israel of the flesh, none of that generation which left egypt reached their destination except Joshua (or Yahshua) and Caleb. This demonstrates to the Israel of Promise that it will require true faith to reach the antitypical, or the true Promised Land of Canaan (which is the promised, pure and Holy System). For this reason though many are called few will be chosen; for, unlike the israel of old, every Member of YAHWEH'S Israel of Promise will have to prove him or herself before YAHWEH will accept him or her as a Member of HIS Ruling Organization.

Verse 43, as correctly translated from the original Hebrew and clarified by The Restored Israel of YAHWEH:

פְּרוֹזָא iron	חִזִּית saw you	דִּי whereas And	
מִינָא becoming coating	בְּחֶסֶף clay with	מִצְרָב combined	
בִּזְרַע races among	לְהוֹן security of	מִתְעַרְבִין shall they pledges exchange

The clarification:

And whereas you saw iron combined with a becoming dressing of clay, they shall exchange pledges of security among the races of men but it will be evident that there will exist no such security of a real union with their attachment of one with

## Daniel Two

---

**the other even as iron does not in any way fuse with clay.**

To combine together is to blend together, or to mingle and flow together, as in the case of the u.s.a. and the u.s.s.r. once the wall of separation has been removed. This wall of separation, that until this time has held them apart, is brought about by the two distinct and different ideologies promoted by these two monsters. These two superpowers exchanging pledges of security among the races of men illustrates that they will collaborate very closely and for a time appear to be one organization. This union will be officiated by the papacy which will lend this union a religious flavor. This will make it a far more effective instrument of deceit than if religion were left out of the picture, for many people have been deceived into believing that the religionists of this world are truly GOD'S Servants. This reduces religion to nothing more than a tool used by ambitious politicians, a cloak worn to enhance their outward appearance in order to fulfill their GODless ambitions. In courting the many rulers of this world, religion is seen as a prostitute through the eyes of all intelligent people and religionists can lay no claim to being Members of the Bride of Christ, for Israel's Holy King would never consider an unclean whore for His Bride.

The union of russia and the united states will make up the two-horned beast referred to in the thirteenth chapter and eleventh verse of the Book of Revelation. It is this two-horned beast that restores the mortally wounded beast, the "holy" roman empire, to power. The union of these two will result in one monstrous world-wide organization. They will collaborate as one body. This is why the singular term *beast* is used to describe this unnatural abortion. The two horns, which represent power, or authority, reveal to us that this beast presides over two distinct localities and is really two superpowers operating as one body. It will be this hybrid combination of three natural enemies that will band together for the sole purpose of destroying Israel, YAHWEH'S Holy Nation, HIS Holy Kingdom—Israel, whose King is Yahshua the Messiah. By opposing the King's subjects, they are opposing the King. Herein is the true anti-Christ revealed, the real abomination of desolation, the correct principles who make up this abomination of desolation whose names when calculated total 666. (See the article, "To The

Children Of The Kingdom," Chapter Seven in *YAHWEH The Unknown GOD, The Mystery Of HIS Secret Purpose Revealed, Book Two.*)

Daniel 2:43, The Restored Israel of YAHWEH'S translation, continues: "there will exist no such security of a real union with their attachment of one with the other even as iron does not in any way fuse with clay." In this verse YAHWEH foretells of the doom of this extraordinary and ugly structure, a structure that is hastily, thoughtlessly, mercilessly thrown together to squeeze Israel off the face of the earth, so to speak. YAHWEH describes HIS promise of vengeance on all those who bring this about by causing these words to be recorded in Isaiah 5:8, Moff. Trans., which states:

Woe to men who add house to house, who join one field to another, till there is room for none but them in all the land!

Their efforts will backfire and those who create the monster will see this atrocious and ludicrous misfit turn on itself and put an end to its misery. Herein lies the hope of Israel. Revelation 13:10 states:

He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints.

Verse 44:

**And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever.**

Aside from Nebuchadnezzar himself, this prophecy has not mentioned the terms *king* or *kings*, but *kingdoms*, and even his domain is alluded to as a kingdom when we read verse 39: "And after thee shall arise another kingdom inferior to thee...." A kingdom is a nation headed by a king. The king has the people in subjection to his will by requiring them to obey the laws of the monarchy over which he is the head. Should two kings decide to join forces for reasons of their own, such as to obtain greater power and prestige in this world, the subjects of both realms no longer serve the interests of the one king but they are now

in the service of the newly formed dual power.

An historical case in point which illustrates the collaboration of two kings, to the extent of their operating as a single power, was the union of the medes and the persians. It became known as medo-persia and is described in the eighth chapter of Daniel as the ram with two horns (Dan. 8:3,4,20). medo-persia became the fourth world power to exercise dominance in satan's world, for it was the fourth in line of descent from the original dominant world power of egypt. YAHWEH describes medo-persia as a ram with two horns because it was one organization, a beastly organization (as have been all of the governments of this world to date). The two horns simply tell us that there were two powers that made up this beast, or organization, for horns represent power (Zech. 1:19-21; Ezk. 34:21). The number *ten* symbolizes earthly completeness; having ten horns means it has complete earthly power. Compare Daniel 7:7 and Daniel 7:23. You will notice that this beast with the ten horns devours, or consumes, or, in literal language, totally controls the entire earth.

In the beginning of Daniel 2:44 YAHWEH states: "And in the days of *these kings* shall the God of heaven set up a kingdom, which shall never be destroyed." What kings is this referring to? Certainly not the kings of babylon, medo-persia or greece for these kings have long since passed away and their domain has been scattered and devoured by other beastly powers. The question is: What kings or powers will be in authority when the GOD of Heaven sets up HIS Kingdom on earth? The answer is that it will be in the days of the king of iron and the king of clay (fulfilled in the u.s.s.r. and the u.s.a. respectively). The setting up of HIS Kingdom on earth is referred to as the time "to consecrate the most sacred place" in Daniel 9:24, Smith. This Holy Event has already been consummated as of April 9, 1973. This Event had to take place fifty-six years after April 9, 1917. A.D. 1917 marked the end of the six thousand years since the creation of Adam who later fell subject to the wiles of satan. This brought an end to satan's uninterrupted rule over the earth, for the Kingdom had started in the Heavens. Therefore, 1917 marks the end of the gentile times, for Yahshua was now reigning in the New Jerusalem which is made up of His Bride whose number totals 144,000 (Rev. 21:1,2,9-16). It was fifty-six years after this event that Earthly Israel was born and

began to function on earth. This is brought about by YAHWEH pouring HIS Holy Spirit upon the earth and causing HIS People, for the first time, to understand the Secret of HIS Purpose that has been hidden throughout the ages. This Secret regarding HIS Earthly Organization is revealed directly from the Heavens to HIS resurrected Prophets alone, thus identifying them to all of Israel as YAHWEH'S Supreme Anointed Rulers on earth.

It was in 1973 that the thirty years of a lonely vigil came to an end, when YAHWEH'S Anointed Prophet saw people respond gladly to the message of Truth, which heretofore had been understood, for a period of twenty-three years, by one family alone with an additional two individuals in 1968.

Can so small an event truly be the beginning of YAHWEH'S Kingdom on earth? YAHWEH states in Zechariah 4:10, Smith:

So you shall know that YAHWEH of hosts has sent me unto you. For who has despised a day of small things? They shall rejoice when they see the plummet in the hand of Zerubbabel.

A day of small things is associated with the plummet in the hand of Zerubbabel. Zerubbabel was the one who laid the foundation of the temple and it was he who was to finish it. "The hands of Zerubbabel have laid the foundation of this house; his hands shall also finish it" (Zech. 4:9). Associated with Zerubbabel in the building of the temple were others, chief among whom was Jeshua (written Joshua in Zechariah's prophecies). Concerning these YAHWEH has this to say in Zechariah 3:8, R.S.V. : "Hear now, O Joshua the high priest, you and your friends who sit before you, for they are men of good omen"; "For men to serve as signs" (E.B.); types or "typical men" (marginal reading); "They are men who are a symbol" (N.A.S.). Zerubbabel pictures Yahshua, the True Builder of the Temple. The temple pictures the Ruling Organization which is built everlastingly in the Heavens and is made up of the 144,000 (1 Peter 2:5; see *YAHWEH The Unknown GOD, The Mystery Of HIS Secret Purpose Revealed, Book One, Chapter Eight* titled, "YAHWEH'S Ruling Organization, the New Jerusalem, the Holy City Now Reigning in the Heavens"). In a typical sense, the rebuilding of the temple was the beginning of the restoration of israel after her seventy years of captivity under babylon (*seventy* picturing a

## Daniel Two

complete, or fulfilled period of time, or heavenly and earthly completeness). However, the True Temple in the Heavens could not be built until six thousand years after Adam's creation had been totaled, for Adam and Eve fell into the hands of satan.

The joy that is experienced by those who see the plummet in the hand of Zerubbabel is the thrill that is felt by those who realize that Israel is now being restored *today*. Although the New Jerusalem began reigning in 1917, which said event truly constitutes the beginning of the restoration of Israel (Ps. 110:1-3; Rev. 12:9,10), the Earthly Portion of YAHWEH'S Kingdom was not anointed until 1973. This event took place 56 years after 1917. The 56 year figure is arrived at by subtracting the period of time that elapsed between the command to restore and rebuild Jerusalem to the coming of Messiah, which was 62 weeks of years (434 years), from the anointing of the Most Holy, or Most Sacred Place, which was set at 70 weeks of years, or 490 years. After the 62 weeks of years after the command to restore and rebuild Jerusalem, came the birth of Messiah brought to earth (for a short time until He was slain by satan's agents), the One who was to be made Supreme Ruler over YAHWEH'S Heavenly and Earthly Organizations. The scriptures in Daniel 9:24,25 reveal that 56 years (490 years minus 434 years) after the coming of Messiah, the Holy Place, or the Kingdom would be anointed, or consecrated on earth. This could never have taken place 56 years after His First Advent because the 6000 years from the creation of Adam that precedes Yahshua's One Thousand Year Reign had not yet been completed. There was then in fact 1862½ years still to be accounted for to complete the 6000 years. Any and all prophetic blessings must necessarily have had to wait until satan's allotted time to make good his boast had expired (Job 1:9-11). Mankind could receive no true blessings as long as satan the devil remained the supreme and only ruler over mankind, for he is the god of this world (2 Cor. 4:3,4; Eph. 6:12; 1 John 5:19). Therefore, consecration of the Holy Place could only take place and does take place after Yahshua made His *Second* Presence. This Second Presence was in 1913. In April of 1917 Yahshua began His One Thousand Year Reign in Zion (at the end of the 6000 years). This is referred to typically in Zechariah 9:9, prophetically in Psalm 110:1,2 and fulfilled as is described in Revelation 20:4. Again, this fulfillment begins in

1917.

The Kingdom of YAHWEH will bring an end to all of these kingdoms, or to all of the levels of authority of satan's entire organization, heavenly and earthly. With the collapse of the earthly portion, the entire organization of the devil that has been structured to control and rule the earth will fall at once. Israel will speed up the climax by gathering the righteous and exposing the wicked wrongdoers, or those who are a part of this wicked world, which said world is of the devil. Yahshua will be honored and YAHWEH will be glorified when one third of the earth's population will come over to YAHWEH'S righteous Kingdom under Yahshua. But when satan's organization destroys itself in the final war, the devil will be ruined. Proverbs 14:28, R.S.V., states: "In a multitude of people is the glory of a king, but without people a prince is ruined." Israel, whom YAHWEH places in control of the Earthly Portion of HIS Kingdom, shall remain in authority forever, for each and every one of Israel has, by this time, proven him or herself and Israel is HIS inheritance (Isa. 19:25). Furthermore, they do not die, for "he that shall endure unto the end, the same shall be saved" (Matt. 24:13), and "the gift of God is eternal life" (Rom. 6:23). So you see, there will be no need to change administration every four years from bad to worse, and to "worse."

Verse 45, R.S.V., states:

**Just as you saw that a stone was cut from a mountain by no human hand, and that it broke in pieces the iron, the bronze, the clay, the silver, and the gold. A great God has made known to the king what shall be hereafter. The dream is certain, and its interpretation sure.**

There is a definite inconsistency in the Hebrew text as to the sequence of the execution in the destruction of the symbolical earthly and heavenly elements which picture satan's monstrous organization. The Septuagint translation of the Hebrew Scriptures into Greek was executed in the third century B.C. and has somehow preserved the original harmonious successive order of the collapse of satan's earthly and heavenly organization. Verse 45, Sept., quote:

**Whereas thou sawest that a stone was cut out of a mountain without hands, and it**

beat to pieces the earthenware, the iron, the brass, the silver, the gold; the great God has made known to the king what must happen hereafter: and the dream is true, and the interpretation thereof sure.

The Stone that struck the image on the feet would most certainly shatter the clay covering first and then the iron beneath it and proceed upward to the legs of iron, the thighs and belly of bronze, the breast and arms of silver and finally to the head of fine gold. The fine gold indicates that satan will, for a time, sit with supreme authority over the entire earth.

The Stone cut out of the mountain by no human hands represents Yahshua who had a heavenly origin and not an earthly one, as was the case with Adam for instance. It is Yahshua, YAHWEH'S beloved Son, who was raised from the dead and made to sit at the right hand of YAHWEH far above all rule and authority (1 Cor. 15:4). Ephesians 1:19-23, R.S.V., states:

19 And what is the immeasurable greatness of his power in us who believe, according to the working of his great might  
20 which he accomplished in Christ when he raised him from the dead and made him sit at his right hand in the heavenly places,  
21 far above all rule and authority and power and dominion, and above every name that is named, not only in this age but also in that which is to come;  
22 and he has put all things under his feet and has made him the head over all things for the church,  
23 which is his body, the fulness of him who fills all in all.

It is Yahshua who begins the One Thousand Year Reign after the devil has been cast out of heaven onto the earth or, symbolically, after His enemy has been made His footstool (Ps. 110:1,2; Rev. 12:9,10). This One Thousand Year Reign began in the spring of 1917 at the end of the six thousand years while the enemies of Yahshua were still present. Psalm 110:2 states:

YAHWEH shall send the rod of thy strength out of Zion: rule thou in the midst of thine enemies.

These enemies consist of satan and his demons with

all of the nations of this world, for satan the devil is the god of this world and will continue to be until he and his nations are destroyed in the final war. Yahshua is YAHWEH'S appointed King and Israel alone accepts Him as King, for He is the King of Israel (Mic. 5:2). It is Israel alone who obeys Him. It is they who become and make up the Members of YAHWEH'S Kingdom. It is they who give their allegiance to Yahshua who is now YAHWEH'S ruling King. It is this Israel, YAHWEH'S Nation, whom Yahshua uses to strike the wicked nations of this world with the sword of His mouth. In order to understand how this is done, consistency of understanding must exist between the scriptures pertaining to Yahshua in this matter and those pertaining to Israel. Let us examine some of them. Isaiah 11:4:

And he shall smite the earth with the rod of his mouth, and with the breath of his lips shall he slay the wicked.

Revelation 19:15, R.S.V. :

From his mouth issues a sharp sword with which to smite the nations.

(Refer also to Revelation 19:21.) The rod of His mouth is a symbol for the instrument that He uses to strike and weaken the forces of evil (these present nations under satan the devil). This rod is the Truth—the wisdom that enlightens the people who have been held in bondage to this world because of ignorance. This Truth, or Light, exposes and rightfully condemns the whole structure of satan's kingdom. The result will be a tremendous response from all those who feel, or recognize the importance of their spiritual needs. Matthew 5:3, Gspd. :

Blessed are those who feel their spiritual need, for the Kingdom of Heaven belongs to them!

Compare this with *The New English Bible* and *The Good News Bible*. However, even though Yahshua is directly YAHWEH'S True Spokesman and He is referred to as the "Word of God" (John 1:1,14; Rev. 19:13; 1 John 5:7), it is not Yahshua's voice that the people of the earth hear. Yahshua makes the express Will of His FATHER known to the 144,000 Kings and Priests. These command the Angels, or Messengers to bring the message of the Will of

## Daniel Two

---

YAHWEH, spoken to them by Yahshua, to the Earthly Portion of Israel which is headed by the resurrected Prophets. It is this Earthly Portion of Israel that speaks the words that are audible to all humanity. On earth, YAHWEH, through HIS Heavenly Organization, deals with Israel alone (Ps. 147:19,20). And Yahshua is the King of the Israel of Promise which is made up of people from all nationalities and races. The only requisite is that they strive to find the *true* Will of YAHWEH in order to obey HIM completely. In understanding this arrangement, the scriptures that are about to be introduced are in no way contradictory or confusing but fall beautifully in order and are fulfilled in YAHWEH'S Divine arrangement. Isaiah 49:1-3 has this to say:

- 1 Listen O isles, unto me; and hearken, ye people, from far; YAHWEH hath called me from the womb; from the bowels of my mother hath he made mention of my name.
- 2 And he hath made my mouth like a sharp sword; in the shadow of his hand hath he hid me, and made me a polished shaft; in his quiver hath he hid me;
- 3 And said unto me, Thou art my servant, O Israel, in whom I will be glorified.

This means that YAHWEH has reserved Israel alone for HIMSELF, for HE knows that HE can count on them. It is Israel alone who take up YAHWEH'S side of the issue, maintaining that YAHWEH *alone* is the Supreme and Rightful RULER over the people whom HE has created. This HE does through HIS Heavenly Organization Zion, over which Yahshua is the Head. It is Earthly Israel who confronts the enemies of their GOD and FATHER YAHWEH. The nations of this world and their duped followers are the ones who become the violent opposers of Israel. Israel, with absolute faith in our GOD and HIS Anointed King, is waging a war of truth against lies and without striking a single physical blow. YAHWEH, through HIS Anointed Israel, will provide the catalyst which will greatly accelerate the decomposition process of this entire filthy system. And absolutely no one can stop us, for we are YAHWEH'S chosen Army and HE is with us (Isa. 13:3-5). Concerning the battle that is waged by Israel against this ignorant and deceived world whose god is satan the devil, Paul writes these words of which a portion were taken from Isaiah 59:17. Ephesians 6:10-18, R.S.V.,

states:

- 10 Finally, be strong in the Lord and in the strength of his might.
- 11 Put on the whole armor of God, that you may be able to stand against the wiles of the devil.
- 12 For we are not contending against flesh and blood, but against the principalities, against the powers, against the world rulers of this present darkness, against the spiritual hosts of wickedness in the heavenly places.
- 13 Therefore take the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand.
- 14 Stand therefore, having girded your loins with truth, and having put on the breastplate of righteousness,
- 15 and having shod your feet with the equipment of the gospel of peace;
- 16 besides all these, taking the shield of faith, with which you can quench all the flaming darts of the evil one.
- 17 And take the helmet of salvation, and the sword of the Spirit, which is the word of God.
- 18 Pray at all times in the Spirit, with all prayer and supplication. To that end keep alert with all perseverance, making supplication for all the saints.

It is the Israel of Promise who are YAHWEH'S Spokesmen and it is they who pronounce YAHWEH'S judgments upon the earth. It is Israel who tells all peoples of the earth that which is acceptable to YAHWEH and that which is not, that which is clean and that which is a stench in HIS nostrils. And the stench of this greedy, corrupt and hypocritical system, YAHWEH cannot bear any longer. Those of you who have been taught otherwise have been deceived by your teachers, regardless of the eminent position he or she may hold in the devil's organization. Israel, who strives for YAHWEH'S blessing, receives it first by being given the understanding of HIS Universal Purpose. This will completely fulfill the lives of all HIS creatures who choose to do what is just and right by obeying HIM. YAHWEH foreknew Jacob, who became Israel, while he was still in the womb, and, like the rest of the Members of the Israel of Promise, HE knows that they will forge ahead after coming from behind and make a

## Daniel Two

---

supreme effort to gain the victory and succeed in receiving YAHWEH'S blessing (Gen. 25:23; 32:24-30). It is Israel who is YAHWEH'S battle-ax and weapons of war whom HE uses to bring an end to every vestige of the devil's organization (Jer. 51:19-23). It is YAHWEH'S chosen Army, Israel, who maintain their integrity in the face of demonic opposition, who press the battle to the gate and honor our King by being instrumental in bringing about the greatest overturning of authority in the history of this planet earth. This will mean a complete annihilation of all nations and people who do not accept Yahshua as the King of Israel (Mic. 5:2; Isa. 9:6,7) and who do not give their full allegiance to Him and to His Kingdom.

All of the kings of this world will fight against the Lamb, but "the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him [Israel] are called, and chosen, and faithful" (Rev. 17:14). Those who will be opposing the True People of YAHWEH the loudest, thereby opposing HIM and HIS Anointed King as well as opposing themselves, will be the so-called christians, for satan the devil has really done a job on them. These are citizens of the various nations of this world, all of which belong to satan the devil. Matthew 4:8-10 states:

8 Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them;

9 And saith unto him, All these things will I give thee, if thou wilt fall down and worship me.

10 Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve.

These christians give their allegiance to these nations and proceed to murder one another when the command to do so is given by the political rulers who are the devil's agents. They pay federal income tax, thus committing murder by proxy. They claim that they have "accepted the Lord Jesus Christ as their personal Savior" and therefore consider themselves saved, but they do not accept His Office as King of Israel which is the grand fulfillment of His *entire mission*. John 18:36,37, Gspd., states:

36 Jesus answered, "My kingdom is not a kingdom of this world. If my kingdom were a kingdom of this world, my men would have fought to keep me from being handed over to the Jews. But as it is, my kingdom has no such origin."

37 Pilate said to him, "Then you are a king?" Jesus answered, "Yes, I am a king. It was for this that I was born and for this that I came to the world, to give testimony for truth. Everyone who is on the side of truth listens to my voice."

Many so-called christian missionaries have been publicly exposed as having gathered secret information for the c.i.a., resulting in the overthrow of uncooperative politicians of other lands who did not see eye to eye with the u.s.a. This demonstrates a demoralized and stupid pattern of behavior. Firstly, because they stoop so low as to be instrumental in the overall fulfillment of a plan that many times leads to murder. Secondly, because as missionaries for the "Lord Jesus Christ" they are proven frauds, for Yahshua plainly stated, "My kingdom is not of this world" (John 18:36). So why are they working for this world? This world is beyond redemption. This world cannot be patched, for Matthew 9:16 states: "No man putteth a piece of new cloth unto an old garment, for that which is put in to fill it up taketh from the garment, and the rent is made worse." This world must come to an end (Matt. 24:14) and the True LORD'S People (Israel) uncompromisingly set the record straight by so declaring. Remember, you deceived people, whosoever is a friend of the world is the enemy of GOD (James 4:4) and all christians, especially the so-called born again variety, are just that. Prime examples are the pope of rome, Billy Graham, Pat Robertson, israel in the mideast and the whole conglomerate who favor and look to this world, or system of things for peace and security. All these use the Name of YAHWEH GOD or the name of the Lord Jesus Christ as a form of diversion to keep from being recognized as the pseudo-politicians that they really are, who support only lies with the prominent and successful ones of this world to gain a grandiose image of themselves. Anyone should be able to recognize them by the company they keep. This type of individual will support any administration as long as it is on top.

The nuclear war that will soon encompass the whole earth, with russia (the king of iron) and the

u.s.a. (the king of clay) as the primary gladiators, will bring a complete end to the devil's earthly kingdom and the devil himself will be thrown into the bottomless pit which symbolizes the region of the dead. This will bring an end forever to all these kingdoms, or all of the levels of authority of the devil's organization from the bottom to the top. At this time YAHWEH is justified in destroying the devil, for he has proven to all creation that he is a failure and that ruling by selfishness, injustice,

ignorance and brute force cannot fulfill the lives of YAHWEH'S children who are created in HIS image which is love, justice, wisdom and power, which said power is only employed after all of HIS other attributes have been satisfied.

The dream was to make known what was to be in the hereafter, or the future. The future is here now. "The dream is certain, and its interpretation sure" (R.S.V.).
